I, the undersigned, do assume responsibility for, and guarantee payment of, all water use incurred at the above site of use. I agree to comply with all rules, regulations, and ordinances related to City water and sewer service as established by the City, including, but not limited to:

- a) **Water obtained via authority of this permit cannot be re-sold to any private entity or used outside of City water service area.**
- b) Meter installation and removal and operation of the fire hydrant shall only be performed by City personnel. Meter will be confiscated if moved by contractor.
- c) No person shall take water from a fire hydrant other than for the purpose of extinguishing fires without first obtaining a permit from the Director of the Public Works Department. All water obtained via permit shall be metered. All metered use shall be paid for at rates set forth in the City Fee Resolution.
- d) No such permit holder shall take or use water contrary to this chapter or the terms of this permit.
- e) No such permit holder shall remove, tamper or otherwise cause the meter not to function as intended.
- f) No permit shall be issued to a person who has violated any of the provisions of this chapter or whose indebtedness to the City for water used, or damage to hydrants or equipment is delinquent.
- g) Permit holder shall designate the location(s) for which the water shall be used.
- h) Permit holder shall estimate the amount of water needed for the project.
