AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of all documents relating to agenda items are available for review at 630 Garden Street, and agendas and minutes are posted online at www.SantaBarbaraCA.gov/ABR. If you have any questions or wish to review the plans, please contact Tony Boughman, Architectural Board of Review (ABR) Planning Technician, at (805) 564-5470, extension 4539, or by email at TBoughman@SantaBarbaraCA.gov. Office hours are 8:30 a. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under *City Calendar* to verify closure dates. **Materials related to an item on this agenda submitted to the ABR after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street, during normal business hours.** Writings that are a public record under Government Code § 54957.5(a) and that relate to an agenda item for an open session of a regular meeting of the ABR and that are distributed to a majority of all of the members of the ABR during the meeting are available for public inspection by the door at the back of the David Gebhard Public Meeting Room, 630 Garden Street, Santa Barbara, CA.

PUBLIC COMMENT. The public has the opportunity to comment on any item on today's agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the ABR Secretary (adjacent to the window) before the agenda item begins. Please indicate which item you would like to address on the speaker slip and, in your testimony, which portion of the project you will be addressing in your comments. Each speaker is allocated two minutes for public comment due to time constraints. Written public comment letters and emails received prior to the meeting are typically distributed to the ABR at their meeting.

STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY. State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a "sole practitioner" to make informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

PLEASE BE ADVISED

The following advisories are generally also contained in the City's Architectural Board of Review General Design Guidelines and Meeting Procedures (ABR Guidelines). The specific ABR Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the ABR Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following ABR agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans. (3.2.4)
- Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)
- Concept review comments are generally valid for one year. Per SMBC 22.68.110, a project design approval is valid for three years from the date of the approval unless a time extension has been granted or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An ABR approval does not constitute a Zoning clearance or a Building and Safety Permit.
- All approvals made by the ABR are based on compliance with Municipal Code Chapter 22.68 and with adopted ABR guidelines. Decisions of the ABR may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting and which the Board took action or rendered its decision. (3.2.9)
- CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) They are consistent with the General Plan development density evaluated in the 2011 General Plan Program

Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.

- **AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to gain access to, comment at, or participate in this meeting, please contact the Planning Division at (805) 564-5470, ext. 3308. If possible, notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements in most cases.
