PLEASE BE ADVISED

- ** All approvals made by the Historic Landmarks Commission (HLC) are based on compliance with Municipal Code Chapter 22.22 and with adopted HLC guidelines. Some agenda items have received a mailed notice and are subject to a public hearing.
- ** The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes.
- ** The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following HLC agenda. In order to reschedule the item for review, the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) and submit appropriate plans.
- ** The Commission may grant an approval for any project scheduled on the agenda if sufficient information has been provided and no other discretionary review is required. Substitution of plans is not allowed, if revised plans differing from the submittal sets are brought to the meeting, motions for preliminary or final approval will be contingent upon staff review for code compliance.
- ** Preliminary and Final Historic Landmarks Commission approval is valid for one year from the date of the approval unless a time extension or Building Permit has been granted.
- ** The Commission may refer items to the Consent Calendar for Preliminary and Final Historic Landmarks Commission approval.
- ** **Items before the Commission may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's Office. Said appeal must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the meeting at which the Commission took action or rendered its decision. The scope of this project may be modified under further review.**
- ** **AMERICANS WITH DISABILITIES ACT:** In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Planning Division at (805) 564-5470. Notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements.
- ** **AGENDAS, MINUTES and REPORTS:** Copies of all documents relating to agenda items are available for review at 630 Garden St. and agendas and minutes are posted online at www.SantaBarbaraCa.gov/hlc. If you have any questions or wish to review the plans, please contact Susan Gantz, at (805) 564-5470 between the hours of 8:30 a.m. to 4:00 p.m., Monday through Thursday, and every other Friday.

LICENSING ADVISORY:

The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. Applicants are encouraged to consult with Building and Safety Staff or Planning Staff to verify requirements for their specific projects.

Unlicensed persons are limited to the preparation of plans for:

- Single or multiple family dwellings not to exceed four (4) units per lot, of wood frame construction, and not more than two stories and basement in height;
- Non-structural changes to storefronts; and,
- Landscaping for single-family dwellings, or projects consisting solely of landscaping of not more than 5,000 square feet.

NOTICE:

- A. That on January 03, 2008, at 4:00 P.M., this Agenda was duly posted on the indoor and outdoor bulletin boards at the Community Development Department, 630 Garden Street, and online at www.SantaBarbaraCa.gov.
- B. This regular meeting of the Historic Landmarks Commission will be broadcast live and rebroadcast in its entirety on Friday at 1:00 P.M. on Channel 18.

GENERAL BUSINESS (1:33):

The Election of Chair and Vice-Chair was done out of order.

- A. Election of Chair and Vice Chair.

Ms. Gantz opened nominations for office of Chair and Vice-Chair.

1. Nominations for Chair: William La Voie and Donald Sharpe (declined).

A vote was taken and William La Voie was elected as Chair.

2. Nominations for Vice-Chair: Alex Pujo and Donald Sharpe.

A written vote was taken and Donald Sharpe was elected as Vice-Chair.

- B. Public Comment:

Public comment opened at 1:40 p.m.

1. Cheri Rae McKinney, Bungalow Haven resident, expressed concern regarding the cutting down of trees without permits, removal of the historic rock wall, and installation of unapproved landscape at 601 Anapamú Street. She also expressed concern with the numerous safety violations and lack of permits. She suggested that the Historic Landmarks Commission (HLC) be involved in the review of any projects at this property. Ms. McKinney also made comments about the project located at 601 E. Micheltorena Street (Santa Barbara Cottage Hospital's Workforce Housing Project). She expressed concern with the cumulative affects on the ecological, esthetic, and cultural preservation of the neighborhood.
2. Tony Fischer, attorney representing Saint Francis Friends and Neighbors, expressed his concern about the number of new changes presented by the developer (to be reviewed by the Architectural Board of Review (ABR)). He stated that the conditions, as part of Planning Commission's 2006 approval of the project, included the requirement that the HLC review and provide comments to the ABR with regard to: 1) Architectural style; 2) compatibility with the neighborhood; and 3) the design of the commemorative display area; and, in addition to its review, the HLC must *approve* the historical monument. Mr. Fischer submitted a copy of the City Council's resolution indicating that the project is subject to HLC review (included with these minutes as an attachment). He commented that public notice as to these requirements has not been given and that the HLC should make a thorough review of the proposed changes before the conclusion of the ABR's review/approval.

Chair La Voie acknowledged receipt of a letter from Paula Westbury opposing Consent Item D, 911 Laguna Street.

Public comment closed at 1:51 p.m.

C. Approval of the minutes of the Historic Landmarks Commission meeting of December 12, 2007.

Motion: Approval of the minutes of the Historic Landmarks Commission meeting of December 12, 2007, with corrections.

Action: Boucher/Sharpe, 7/0/2. (Adams/Naylor abstained. Sharpe abstained from Item #7, 210 W. Carrillo Street.) Motion carried.

D. Consent Calendar.

Motion: Ratify the Consent Calendar as reviewed by William La Voie.

Action: Boucher/Hausz, 9/0/0. Motion carried.

E. Announcements, requests by applicants for continuances and withdrawals, future agenda items, and appeals.

1. Commissioner Adams announced there would be a Kids Draw Architecture Program sponsored by the Architecture Foundation of Santa Barbara at the University Art Museum (UCSB) on Saturday, January 12th, from 1:00 p.m. to 3:00 p.m. The British Architecture exhibit will be sketched by the participating children.

2. Ms. Gantz made the following announcements:

a. Commissioner Naylor has been reappointed to the Historic Landmarks Commission for another term of four years. Although the City Council did not appoint anyone to fill the position currently held by Commissioner LaVoie, in accordance with City Council Resolution No. 06-092, he will continue to serve until a successor is appointed during the next recruitment in May/June, 2008.

b. The "Arlington Village" project at 1330 Chapala Street would be reviewed by the Planning Commission (PC) at the Thursday, January 24th meeting. Concerns voiced by the HLC were forwarded to the PC.

Chair La Voie and Commissioner Adams agreed to represent the Commission at that hearing.

c. The 33rd Annual California Preservation Conference has been announced and will be held at the Embassy Suites Hotel in Napa Valley from April 23 to 26. The Commissioners were asked to inform Staff if they plan to attend.

3. Mr. Limón announced that the Neighborhood Preservation Ordinance (NPO) Update amendment measures will be introduced to City Council on Tuesday, January 15th. The other item pending to be presented to City Council is the proposed draft findings for HLC project approvals that the HLC reviewed in draft form last year.

F. Subcommittee Reports.

Commissioner Adams announced that the Landscape Water Conservation met in December and discussed how to save water and improve water conservation in landscaping but is unsure as to when HLC will receive a draft of this to review and will let the chair know when it needs to be distributed.

Jake Mr. Jacobus handed out the HLC Designations and HLC Survey subcommittee dates.

G. Possible Ordinance Violations.

No violations reported.

ARCHAEOLOGY REPORT

1. 302 S VOLUNTARIO ST R-3 Zone
(2:07) Assessor's Parcel Number: 017-281-010
 Application Number: MST2007-00551
 Architect: William Cooper

(Proposal to demolish an existing 882 square foot single-family residence and 171 square foot garage and construct a two-story, three-unit apartment building consisting of a 1,287 square foot 2-bedroom unit, two 847 square foot 1-bedroom units, and three attached one-car garages totaling 667 square feet. The proposed development will consist of a 2,981 residential square footage on a 6,250 square foot parcel.)

(Review of Phase I Archaeological Resources Report prepared by Heather Macfarlane, Macfarlane Archaeological Consultants.)

Staff Comments: Susan Gantz, Planning Technician II, stated that Dr. Glassow reviewed the report and concluded that the archaeological investigation supports the report's conclusions and recommendations that, based on the negative results of the survey, no further archaeological investigations shall be required for this project.

Ms. Gantz acknowledged receipt of a letter from Paula Westbury with comments.

Motion: To accept the report as submitted.
Action: Hausz/Adams, 9/0/0. Motion carried.

ARCHAEOLOGY REPORT

2. 630 ANACAPA ST C-M Zone
(2:08) Assessor's Parcel Number: 031-151-011
 Application Number: MST2005-00798
 Applicant: Steve Fort
 Architect: Peter Ehlen

(The project consists of a proposal to merge two lots and construct a three-story, mixed use project with below-grade parking. The project includes one commercial condominium unit consisting of six separate commercial spaces totaling 11,507 square feet, one residential condominium consisting of three studio apartments under one ownership to be available as rentals, and seven two-bedroom condominium units. Parking for the two-bedroom units are to be in two-car garages and the parking for the commercial spaces and studio apartments are to be within the below-grade parking structure. A total of 34 parking spaces are proposed. The existing 2,155 square foot house, 506 square foot garage and 5,507 square feet of commercial buildings are to be demolished. The two parcels involved (031-151-011 at 630 Anacapa Street and 031-151-001 at 634 Anacapa Street) total approximately 21,000 square feet.)

(Review of Phase I Archaeological Resources Report prepared by Heather Macfarlane, Macfarlane Archaeological Consultants.)

Present: Heather Macfarlane, Archaeological Consultant

Ms. Gantz acknowledged receipt of a letter from Paula Westbury with comments.

Staff Comments: Susan Gantz, Planning Technician II, stated that the City's Environmental Analyst concurs with Dr. Glassow and disagrees with the archaeologist's recommendation of no further action. Dr. Glassow has indicated that, based on the research contained in the Phase 1 Archaeological Report, there is a possibility that significant historic archaeological resources may be present on the site and the Phase I investigation was not sufficiently extensive to have confidence that archaeological resources are or are not present. Therefore; an Initial Study will need to be prepared to indicate that mitigation in the form of additional monitoring of the site for potentially significant archaeological resources during ground disturbing activities is required. The Environmental Analyst recommends acceptance of the report with the following mitigation measure required:

The Owner shall complete the following prior to the issuance of building permits:

Contract with a City-approved archaeologist for monitoring during all ground disturbing activities associated with the project, including, but not limited to, grading, excavation, trenching, vegetation or paving removal and ground clearance. The contract shall establish a schedule for monitoring and a report to the City Environmental Analyst on the findings of the monitoring. Contract(s) shall be subject to the review and approval of the Environmental Analyst.

The following information shall be specified on the construction plans submitted for building permits:

Prior to the start of any vegetation or paving removal, demolition, trenching or grading, contractors and construction personnel shall be alerted to the possibility of uncovering unanticipated subsurface archaeological features or artifacts associated with past human occupation of the parcel. If such cultural resources are encountered or suspected, work shall be halted immediately, the City Environmental Analyst shall be notified and a City-approved archaeologist shall be consulted. The latter shall be employed to assess the nature, extent and significance of any discoveries and to develop appropriate management recommendations for archaeological resource treatment, including but not limited to redirection of grading and/or excavation activities. If the findings are potentially significant, a Phase 3 recovery program shall be prepared and accepted by the Environmental Analyst and the Historic Landmarks Commission. That portion of the Phase 3 program which requires work on-site shall be completed prior to continuing construction in the affected area. If prehistoric or other Native American remains are encountered, a Native American representative shall be contacted and shall remain present during all further subsurface disturbances in the area of the find.

Motion: To accept the report with Dr. Glassow's recommendations that an Initial Study be prepared to indicate that mitigation in the form of additional monitoring of the site for potentially significant archaeological resources during ground disturbing activities is required and with the condition that a letter addendum be prepared and submitted identifying Craviotto family consent to the preservation of identified resources.:-

 Katie O'Reilly-Rogers, [Landscape Architect](#)
 Lisa Plowman, Peikert Group Architects
 Linda Sumansky, City Acting Supervising Civil Engineer

Public comment opened at 2:33 p.m.

John Coplin, Santa Barbara Museum of Art, supported the project, specifically the sculptures.

Matt LaBrie, owner of Coffee Cat, supported this project and felt that it is a great design.

Eric Kelley, owner of The Book Den, expressed concern about the lawn and low walls attracting transients and allowing a place to loiter.

Kellam De Forest, local resident, said that a formal design is appropriate for this project.

Public comment closed at 2:37 p.m.

Straw vote: How many commissioners could support the lawn as presented? 5/4.

Motion: **Continued two weeks with the following comments:** 1) The Commission appreciates the redesign, particularly addressing the neighborhood context and the specific context of the location of the garden. 2) Sandstone walls with an irregular surface were suggested. 3) The curvilinear design is supportable. 4) The Bradford pears, pomegranates, and coast live oaks are appropriate. 5) The majority of the Commissioners support the lawn as proposed. 6) The proposal should be reviewed by the Disabled Access Committee and a note should be obtained from them stating their approval before the next HLC review. 7) Reconsider the location of or visually mitigate, in some manner, the bank of meters on Anacapa Street. 8) The idea of a display of public art and sculptural elements is supportable.

Action: Hausz/Adams, 9/0/0. Motion carried.

DISCUSSION ITEM

(3:28)

Staff Present: Cameron Benson, City Creeks Manager, Parks and Recreation
Autumn Malanca, City Water Resources Specialist

Discussion regarding the City of Santa Barbara Technical Guidance Manual for Post Construction Storm Water Management.

~~Discussion held.~~

The primary objective of the Manual will be to guide City land development staff, design engineers, architects, contractors, and residents to design and implement proper post-construction storm water management and treatment methods. These methods include bioswales, infiltration basins, dry wells, cisterns, etc. The Manual will comply with state and federal water quality laws, serve as a design requirement for public and private development and redevelopment projects, and assist with implementation of the City's Storm Water Management Program (SWMP).

Controlling urban runoff pollution from new development after construction is critical for the protection of creek and ocean water quality. The goal of the Manual will be to minimize runoff pollution typically caused by land development by employing a sensible combination of pollutant source control and site-specific treatment control measures.

Discussion held.

H. Adjournment.

Motion: To adjourn the meeting.

Action: Boucher/Hausz, 9/0/0. Motion carried.
