	Suggested	<u>Color & Material Samples</u> - to be mounted on a board no larger than 8.5" x 14" & detailed on all sets of plans. <u>Exterior Details</u> - windows, doors, eaves, railings, chimney caps, flashing, etc. Materials submitted for Project Design Approval form the basis for working drawings & must be complete & accurate.
FINAL & CONSENT	Required	Same as above with the following additions: <u>Color & Material Samples</u> - to be mounted on a board no larger than 8.5" x 14" and detailed on all sets of plans. <u>Cut Sheets</u> - exterior light fixtures and accessories where applicable. <u>Exterior Details</u> - windows, doors, eaves, railings, chimney caps, flashing, etc. <u>Final Landscape Plans</u> - landscape construction documents including planting, irrigation plan and water conservation compliance. <u>Consultant/Engineer Plans</u> - electrical, mechanical, structural, & plumbing where applicable.

AGENDAS, MINUTES, REPORTS, PLANS & PUBLIC RECORD WRITINGS. Copies of all documents relating to agenda items are available for review at 630 Garden Street and agendas and minutes are posted online at www.SantaBarbaraCA.gov/HLC. If you have any questions or wish to review the plans, please contact Joanna Kaufman, Historic Landmarks Commission (HLC) Planning Technician, at (805) 564-5470, extension 4472, or by email at JKaufman@SantaBarbaraCA.gov. Office hours are 8:30 a. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under *City Calendar* to verify closure dates. Materials related to an item on this agenda submitted to the HLC after distribution of the agenda packet are available for public inspection in the Community Development Department located at 630 Garden Street, during normal business hours. Writings that are a public record under Government Code § 54957.5(a) and that relate to an agenda item for an open session of a regular meeting of the HLC and that are distributed to a majority of all of the members of the HLC during the meeting are available for public inspection by the door at the back of the David Gebhard Public Meeting Room, 630 Garden Street, Santa Barbara, CA.

PUBLIC COMMENT. The public has the opportunity to comment on any item on today's agenda. The Chair will announce when public testimony can be given for each item on the agenda. Speaker slips are available by the door and should be filled in and handed to the HLC Secretary (adjacent to the window) before the agenda item begins. Please indicate which item you would like to address on the speaker slip and, in your testimony, which portion of the project you will be addressing in your comments. Each speaker is allocated two minutes for public comment due to time constraints. Public comment submitted prior to the scheduled meeting, can be submitted via email to: HLCSecretary@SantaBarbaraCA.gov or by mail to: City of Santa Barbara, Community Development Dept./Planning Div., P.O. Box 1990, Santa Barbara, CA 93102. Written public comment letters and emails received prior to the meeting are typically distributed to the HLC at their meeting.

STATE POLITICAL REFORM ACT SOLE PROPRIETOR ADVISORY. State law, in certain circumstances, allows an architect, engineer or a person in a related profession who is a "sole practitioner" to make informational presentation of drawings or submissions of an architectural, engineering, or similar nature to the same Board on which they are seated, if the practitioner does not advocate for the project. Full details regarding this exception are posted in the back of the David Gebhard Public Meeting Room and available at the Community Development Department located at 630 Garden Street, Santa Barbara, CA.

PLEASE BE ADVISED

The following advisories are generally also contained in the City's Historic Landmarks Commission General Design Guidelines and Meeting Procedures (HLC Guidelines). The specific HLC Guideline number related to each advisory is listed in parenthesis after each advisory. Applicants are encouraged to review the full version of the HLC Guidelines.

- The approximate time the project will be reviewed is listed to the left of each item. It is suggested that applicants arrive 15 minutes early. The agenda schedule is subject to change as cancellations occur. Staff will notify applicants of time changes. (3.2.2)
- The applicant's presence is required. If an applicant is not present, the item will be postponed indefinitely. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following HLC agenda. In order to reschedule the item for review, a rescheduling fee will be paid and the applicant must fill out and file a Supplemental Application Form at 630 Garden Street (Community Development Department) in addition to submitting appropriate plans. (3.2.4)
- Substitution of plans is not allowed. If revised plans differing from the submittal sets are brought to the meeting, motions for Project Design Approval or Final Approval will be contingent upon staff review for code compliance. (3.2.4)
- Concept review comments are generally valid for one year. Per SMBC 22.22.180, a project design approval is valid for three years from the date of the approval unless a time extension has been granted

or a building permit has been issued. Projects with a valid land use approval will also automatically extend the project design approval expiration date. (3.2.9) An HLC approval does not constitute a Zoning clearance or a Building and Safety Permit.

- All approvals made by the HLC are based on compliance with Municipal Code Chapter 22.22 and with adopted HLC guidelines. Decisions of the HLC may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office. Appeals must be in writing and must be filed with the City Clerk at City Hall, 735 Anacapa Street, within ten (10) calendar days of the meeting and which the Board took action or rendered its decision. (3.2.9)
- CEQA Guidelines §15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.
- **AMERICANS WITH DISABILITIES ACT:** If you need auxiliary aids or services or staff assistance to attend or participate in this meeting, please contact the HLC Commission Secretary at (805) 564-5470, extension 3310, or by email at HLCSecretary@SantaBarbaraCA.gov. If possible, notification at least 48 hours prior to the meeting will usually enable the City to make reasonable arrangements. Specialized services, such as sign language interpretation or documents in Braille, may require additional lead time to arrange.

LICENSING ADVISORY:

The Business and Professions Code of the State of California and the Municipal Code of the City of Santa Barbara restrict preparation of plans for certain project types to licensed professionals. See HLC Guidelines 2.12 and 3.1.2C for specific information.

(This is a revised project description. Proposal to demolish an existing 165 square foot, detached, one-story, accessory building, and construct first and second story floor additions totaling approximately 1,500 square feet to an existing two-story, single-family residence. The proposed additions will connect the existing residence to the existing, detached accessory buildings. The proposal includes remodeling the existing, detached accessory buildings, to result in two-covered parking spaces in a carport, to remodel existing habitable floor area on the first-story and for new habitable area above the carport, and a 125 square foot balcony. An existing pool equipment shed is proposed to be demolished and replaced with pool equipment screened by a wall and an existing pergola on the north side of the garage will be removed and a new portico, fireplace, and balcony above will be constructed. The proposal includes 33 cubic yards of grading excavation and 29 cubic yards of fill. This project will result in a total development of 7,139 square feet and is 125% of the guideline floor-to-lot area ratio (FAR). The project includes Staff Hearing Officer review for requested zoning modifications. This structure is on the City's List of Potential Historic Resources as a Spanish Colonial Revival style residence constructed c. 1926 designed by the noted architectural firm of Soule, Murphy, and Hastings.)

(Project Design Approval is requested. Project must comply with Staff Hearing Officer Resolution No. 070-14. Project last reviewed February 25, 2015.)
