CITY OF SANTA BARBARA PLANNING COMMISSION

RESOLUTION NO. 014-06
1642 SHORELINE DRIVE
COASTAL DEVELOPMENT PERMIT
APRIL 6, 2006

APPLICATION OF TERI GREEN, AGENT FOR ROBERT WHITEHEAD, PROPERTY OWNER, 1642 SHORELINE DRIVE, 045-172-020 , E-3/SD-3 ZONES, GENERAL PLAN DESIGNATION: RESIDENTIAL 5 UNITS PER ACRE (MST2004-00713)

The project consists of a 1,017 square foot, second-story addition and a 250 square foot interior remodel to an existing 1,733 square foot single-story, single-family residence on a 7,753 square foot lot in the Appealable Jurisdiction of the Coastal Zone. Parking is provided by an existing two-car garage.

The discretionary applications required for this project are:

A Coastal Development Permit (CDP2005-00015) to allow the proposed development in the Appealable Jurisdiction of the City's Coastal Zone (SBMC §28.45.009).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Guidelines Section 15301.

WHEREAS, the Planning Commission has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, 1 person appeared to speak in favor of the application, and five people appeared to speak in opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, March 30, 2006
2. Site Plans

Lawrence Fulbeck, 1625 Santa Rosa Ave, SB, CA 93109

NOW, THEREFORE BE IT RESOLVED that the City Planning Commission:

- I. Approved the subject application making the following findings and determinations:
 - A. **Coastal Development Permit (SBMC §28.45.009)**
 1. The project is consistent with the policies of the California Coastal Act.
 2. The project is consistent with all applicable policies of the City's Local Coastal Plan, all applicable implementing guidelines, and all applicable provisions of the Code.
 3. The project is consistent with the Chapter 3 (commencing with Section 30200) Policies of the Coastal Act regarding public access and public recreation.

II. Said approval is subject to the following conditions:

- A. **Recorded Agreement.** Prior to the issuance of any Public Works permit or Building permit for the project on the Real Property, the Owner shall execute a written instrument, which shall be reviewed as to form and content by the City Attorney, Community Development Director and Public Works Director, recorded in the Office of the County Recorder, and shall include the following:
1. **Uninterrupted Water Flow.** The Owner shall provide for the uninterrupted flow of water through the Real Property including, but not limited to, swales, natural water courses, conduits and any access road, as appropriate. The Owner is responsible for the adequacy of any drainage facilities and for the continued maintenance thereof in a manner that will preclude any hazard to life, health or damage to the Real Property or any adjoining property.
 2. **Allowed Development.** The development of the Real Property approved by the Planning Commission on April 6, 2006 is limited to a 1,017 square foot addition and 250 square foot interior remodel shown on the Site Plan signed by the chairman of the Planning Commission on said date and on file at the City of Santa Barbara.
- B. **Public Works Submittal Prior to Building Permit Issuance.** The Owner shall submit the following or evidence of completion of the following to the Public Works Department prior to the issuance of a Building Permit for the project:
1. **Water Rights Assignment.** The Owner shall execute an Agreement Assigning Water Extraction Rights. Said assignment and any related agreements are subject to the review and approval of the City Attorney. Said agreement shall be recorded in the Office of the County Recorder.
 2. **Public Street Improvements.** The Owner shall submit building plans for construction of improvements along the subject property road frontage on Shoreline Drive. As determined by the Public Works Department, the improvements shall include 70 ft sidewalk, one driveway apron modified to meet Title 24 requirements, underground utilities to subject property, preserve and/or reset any existing survey monuments or contractor stamps under the direction of the Public Works Inspector, and provide adequate positive drainage from site. The building plans shall be prepared by a registered civil engineer or licensed architect and reviewed by the City Engineer.
- C. **Design Review.** The following is subject to the review and approval of the Architectural Board of Review:
1. **Second Story Mass.** Reduce second story mass to further recede from the south and east elevations, by moving the south-facing façade north five feet.
 2. **Plate Heights.** Reduce the plate heights at the garage to eight feet and at the gallery area not to exceed nine feet.

3. **Stair Tower.** Study reducing the height of the stair tower.
 4. **West Fenestration.** Add windows to the west elevation of the gallery to break up the mass.
 5. **North Elevation.** Review the north façade and revise, as reasonable, to address privacy concerns associated with neighbors to the north.
 6. **Provide Survey.** Provide a survey, prepared by a qualified surveyor or engineer, to determine the accurate building footprint to establish the legality setbacks and property lines, and address whether existing pool equipment and fencing adhere to setback requirements, prior to Preliminary Approval by the ABR.
- D. **Building Permit Plan Requirements.** The following requirements shall be incorporated into the construction plans submitted to the Building & Safety Division with applications for building permits. All of these construction requirements shall be carried out in the field and completed prior to the issuance of a Certificate of Occupancy:
1. **Unanticipated Archaeological Resources Contractor Notification.** Prior to the start of any vegetation or paving removal, demolition, trenching or grading, contractors and construction personnel shall be alerted to the possibility of uncovering unanticipated subsurface archaeological features or artifacts associated with past human occupation of the parcel. If such archaeological resources are encountered or suspected, work shall be halted immediately, the City Environmental Analyst shall be notified and an archaeologist from the most current City Qualified Archaeologists List shall be retained by the applicant. The latter shall be employed to assess the nature, extent and significance of any discoveries and to develop appropriate management recommendations for archaeological resource treatment, which may include, but are not limited to, redirection of grading and/or excavation activities, consultation and/or monitoring with a Barbareño Chumash representative from the most current City qualified Barbareño Chumash Site Monitors List, etc.
- If the discovery consists of possible human remains, the Santa Barbara County Coroner shall be contacted immediately. If the Coroner determines that the remains are Native American, the Coroner shall contact the California Native American Heritage Commission. A Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.
- If the discovery consists of possible prehistoric or Native American artifacts or materials, a Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all

further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.

2. **Demolition/Construction Materials Recycling.** Recycling and/or reuse of demolition/construction materials shall be carried out and containers shall be provided on site for that purpose in order to minimize construction-generated waste conveyed to the landfill.
3. **Construction-Related Truck Trips.** Construction-related truck trips shall not be scheduled during peak hours (7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m.) to help reduce truck traffic on adjacent streets and roadways.
4. **Haul Routes.** The haul route(s) for all construction-related trucks, three tons or more, entering or exiting the site, shall be approved by the Transportation Operations Manager.
5. **Construction Hours.** Construction (including preparation for construction work) is prohibited before 8:00 a.m. and after 5:00 p.m., Monday through Friday, and all day on Saturdays, Sundays and holidays observed by the City of Santa Barbara as shown below:

New Year's Day	January 1 st *

Following Thanksgiving Day	Friday following Thanksgiving Day
Christmas Day	December 25 th *

*When a holiday falls on a Saturday or Sunday, the preceding Friday or following Monday, respectively, shall be observed as a legal holiday.

6. **Construction Parking/Storage.** Construction parking and storage shall be provided as follows:
 - a. During construction, free parking spaces for construction workers shall be provided on-site or off-site in a location subject to the approval of the Streets, Parking, and Transportation Operations Manager.
 - b. On-site or off-site storage shall be provided for construction materials and equipment. Any off-site storage location for equipment or materials shall be approved by the Community Development Director.
 - c. Storage of construction materials within the public right-of-way is prohibited without an encroachment permit issued by the City.

7. **Construction Contact Sign.** Immediately after building permit issuance, signage shall be posted at the points of entry to the site that list the contractor(s) name, contractor(s) telephone number, work hours and site rules to assist Building Inspectors and Police Officers in the enforcement of the conditions of approval.
8. **Construction Equipment Maintenance.** All construction equipment, including trucks, shall be professionally maintained and fitted with standard manufacturers' muffler and silencing devices.
9. **Conditions on Plans/Signatures.** All Planning Commission Conditions of Approval shall be provided on a full size drawing sheet as part of the drawing sets. A statement shall also be placed on the above sheet as follows: The undersigned have read and understand the above conditions, and agree to abide by any and all conditions which is their usual and customary responsibility to perform, and which are within their authority to perform.

Signed:

Property Owner		Date
Contractor	Date	License No.
Architect	Date	License No.
Engineer	Date	License No.

- E. **Prior to Certificate of Occupancy.** Prior to issuance of the Certificate of Occupancy, the Owner of the Real Property shall complete the following:
 1. **Repair Damaged Public Improvements.** Repair any damaged public improvements (curbs, gutters, sidewalks, etc.) subject to the review and approval of the Public Works Department. Where tree roots are the cause of the damage, the roots shall be pruned under the direction of a qualified Arborist.
 2. **Complete Public Improvements.** Install public improvements as shown on the building plans, including utility undergrounding.
 3. **Backflow Device.** Provide an approved backflow device placed on the property side of consumer's service pursuant to Santa Barbara Municipal Code Section 14.20.120.
- F. **Litigation Indemnification Agreement.** In the event the Planning Commission approval of the Project is appealed to the City Council, Applicant/Owner hereby agrees to defend the City, its officers, employees, agents, consultants and

independent contractors ("City's Agents") from any third party legal challenge to the City Council's denial of the appeal and approval of the Project, including, but not limited to, challenges filed pursuant to the California Environmental Quality Act (collectively "Claims"). Applicant/Owner further agrees to indemnify and hold harmless the City and the City's Agents from any award of attorney fees or court costs made in connection with any Claim.

Applicant/Owner shall execute a written agreement, in a form approved by the City Attorney, evidencing the foregoing commitments of defense and indemnification within thirty (30) days of the City Council denial of the appeal and approval of the Project. These commitments of defense and indemnification are material conditions of the approval of the Project. If Applicant/Owner fails to execute the required defense and indemnification agreement within the time allotted, the Project approval shall become null and void absent subsequent acceptance of the agreement by the City, which acceptance shall be within the City's sole and absolute discretion. Nothing contained in this condition shall prevent the City or the City's Agents from independently defending any Claim. If the City or the City's Agents decide to independently defend a Claim, the City and the City's Agents shall bear their own attorney fees, expenses and costs of that independent defense.

NOTICE OF COASTAL DEVELOPMENT PERMIT TIME LIMITS:

The Planning Commission's action approving the Coastal Development Permit shall expire two (2) years from the date of approval, per Santa Barbara Municipal Code §28.45.009.q, unless:

1. Otherwise explicitly modified by conditions of approval of the development permit, or unless construction or use of the development has commenced.
2. A Building permit for the work authorized by the coastal development permit is issued prior to the expiration date of the approval.
3. A one (1) year time extension may be granted by the Planning Commission if the construction authorized by the permit is being diligently pursued to completion and issuance of a Certificate of Occupancy. Not more than three (3) extensions may be granted.
