CITY OF SANTA BARBARA PLANNING COMMISSION

RESOLUTION NO. 047-06

730 LAS CANOAS STREET

LOT LINE ADJUSTMENT AND RECOMMENDATIONS TO CITY COUNCIL

NOVEMBER 9, 2006

APPLICATION OF C. E. CHIP WULLBRANDT, AGENT FOR ANDREW AND KENDRA FESHBACH, 730 LAS CANOAS PLACE, APN 021-030-039, A-1, ONE-FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: MAJOR HILLSIDE, AND ANDREW EFFRON, 2030 LAS CANOAS ROAD, APN 021-010-060 AND -061, COUNTY ZONING AG-1-10, AGRICULTURAL, MINIMUM TEN ACRES/UNIT AND MISSION AREA DESIGN OVERLAY (MST2003-00327)

The proposed project consists of a lot line adjustment between 730 Las Canoas Place, located in the City and 2030 Las Canoas Road, located in the County. The lot line adjustment would result in approximately 1.72 acres being added to the 730 Las Canoas Place parcel. The owners of 730 Las Canoas Place currently have a landscape and use easement from the owners of 2030 Las Canoas Road to use the subject property. The proposed project would also require the annexation of the subject property into the City. Each property contains a single-family residence and no new development is proposed. The annexation was initiated by the Planning Commission on September 3, 2004.

The discretionary applications required for this project are:

1. Lot Line Adjustment between 730 Las Canoas Place (APN 021-030-039) and 2030 Las Canoas Road (APN 021-010-060 and -061) (SBMC§27.40); and

Recommendation of approval to City Council of the following actions:

1. Annexation of the subject property from the unincorporated area of Santa Barbara County to the City;
2. General Plan Amendment to add the subject property to the City's General Plan Map with a designation of Major Hillside;
3. Zoning Map Amendment to add the subject property to the City's Zoning Map with a designation of A-1, One-Family Residence Zone; and
4. Hillside Design District Map Amendment to add the annexed area to the Hillside Design District.

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the City California Environmental Quality Act Guidelines Section 15305 (3) (minor lot line adjustments).

WHEREAS, the Planning Commission has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, one person appeared to speak in favor of the application, and no one appeared to speak in opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, November 9, 2006
2. Site Plans

NOW, THEREFORE BE IT RESOLVED that the City Planning Commission:

I. Approved the subject application making the following findings and determinations:

A. **Lot Line Adjustment (Gov. Code §66412 and SBMC §27.04.030)**

The proposed lot line adjustment is appropriate for the area and is consistent with the City's General Plan and Building and Zoning Ordinances. The lot line adjustment would transfer approximately 1.70 acres from a parcel located in the unincorporated area of Santa Barbara County and would not increase the development potential of either site.

B. **Recommended to the City Council: Annexation, General Plan and Zoning Map Amendments**

The proposal is consistent with current General Plan and annexation policies, which encourage annexation of parcels within the City's sphere of influence at the earliest convenience. Therefore, the Planning Commission recommends that the City Council approve the annexation request, with the zoning upon annexation to be A-1, Single Family Residential, the General Plan designation to be Major Hillside, and the property to be included in the Hillside Design District.

II. Said approval is subject to the following conditions:

In consideration of the project approval granted by the Planning Commission and for the benefit of the owner(s) of 730 Las Canoas Place and occupant(s) of the Real Property, defined as the adjusted 730 Las Canoas Place parcel (APN 021-030-039 and 021-010-061) as shown on the Annexation and Tentative Lot Line Adjustment Exhibit Map, the owners and occupants of adjacent real property and the public generally, the following terms and conditions are imposed on the use, possession and enjoyment of the Real Property:

 3. **City Sewer System Connection.** The Owner understands and acknowledges that the City requires that all private residential development in this neighborhood shall eventually connect to the City sewer system when a sewer main is constructed at a point adjacent to the property owner's real property. Consequently, Owner's will at Owner's sole expense, connect their residence to the City Sewer System within one year of being advised in writing that the City sewer main is operable and available and available for such a connection. In the event Owners fail to comply with this condition of approval, City may enter the real property of Owners and make such a sewer connection with the cost of connection becoming a lien on real property to be paid in connection with property taxes and assessments imposed on the Real Property.

1. **LAFCO Annexation Map.** The Owner shall submit to the Public Works Department for review, a LAFCO Annexation Map prepared by a licensed land surveyor or registered Civil Engineer.

Owner further agrees to indemnify and hold harmless the City and the City's Agents from any award of attorney fees or court costs made in connection with any Claim.

Owner shall execute a written agreement, in a form approved by the City Attorney, evidencing the foregoing commitments of defense and indemnification within thirty (30) days of the City Council denial of the appeal and approval of the Project. These commitments of defense and indemnification are material conditions of the approval of the Project. If Owner fails to execute the required defense and indemnification agreement within the time allotted, the Project approval shall become null and void
