PLEASE BE ADVISED

Consent Items are reviewed in the David Gebhard Public Meeting Room at 630 Garden Street in a sequential manner as listed on the Consent Calendar Agenda. For example item "A" listed on the Consent Calendar will be heard first and item "Z" heard last. Applicants are advised to approximate when their item is to be heard and should arrive 15 minutes prior to the item being announced. If applicants are not in attendance when the item is announced for hearing the item, the item will be moved to the end of the calendar agenda.

The applicant's presence is suggested so that the applicant can answer questions and discuss potential conditions of approval, thereby avoiding project continuances. If an applicant cancels or postpones an item without providing advance notice, the item will be postponed indefinitely and will not be placed on the following Single Family Design Board (SFDB) agenda.

Actions on the Consent Calendar agenda are reported to the Full Board at the next regular meeting. The Full Board has the discretion to ratify or not ratify the Consent actions. The Consent Calendar reviewing member of the SFDB may refer items to the Full Board for review.

Decisions of the SFDB may be appealed to the City Council. For further information on appeals, contact the Planning Division Staff or the City Clerk's office, City Hall, 735 Anacapa St. Appeals must be in writing and must be filed with the City Clerk at City Hall within ten (10) calendar days of the date the action is ratified (at the next regular Full Board meeting of the SFDB).

CEQA Guidelines § 15183 Exemptions (Projects Consistent with General Plan). Under this California Environmental Quality Act (CEQA) Guidelines section, projects with new development (new nonresidential square footage or new residential units) qualify for an exemption from further environmental review documents if (1) they are consistent with the General Plan development density evaluated in the 2011 General Plan Program Environmental Impact Report, and (2) any potentially significant project-specific impacts are addressed through existing development standards. Section 15183 exemptions are determined by staff based on a preliminary environmental review process. A decision-maker CEQA finding is required for a Section 15183 exemption. City Council General Plan environmental findings remain applicable for the project.

Copies of all documents relating to agenda items are available for review at 630 Garden Street, and agendas and minutes are posted online at www.SantaBarbaraCA.gov/SFDB.
