PROJECT TITLE: Watermain Replacement Fiscal Year 2018 – La Cumbre Road

IMPORTANT WATER SHUTOFF INFORMATION:
Water service will be interrupted while the City is connecting to the new water main. The water shutoff will occur during the hours of 9:00 p.m. - 7:00 a.m. The water shutoff is scheduled to occur the night of Thursday, May 16, 2019. Please see the map of affected areas on the second page.

PROJECT OVERVIEW: During construction, you will notice heavy equipment, construction workers, restricted parking areas, and traffic at the construction sites (see map). The City’s contractor (Tierra) will carry out necessary temporary traffic control measures, such as detours and reduced speed zones, in order to allow vehicles and pedestrians to safely pass the construction site.

PROJECT BENEFITS: The City is replacing old water features, piping, valves, and hydrants to reduce risk of water main breaks and conserve water.

QUICK FACTS
Location: La Cumbre Road at State Street
Construction Schedule: spring 2019
Total Project Costs: $4,725,925
Funding Source: Water Main Replacement Fund
